This is scheduled for next week, as you know LASAN does not remove people. I am not sure who will be moving transients from under freeway underpasses.

Hi Renee,
Happy Monday to you. I wanted to just pass these 2 new photos to you. They both have SIR's that our community reported and there are still folks out there.

Thanks so Much!

Your replies are much appreciated.

Please note that these 2 encampments in the Cattaraugus underpass are clean and orderly.
While the sprawling of homeless tents and possessions in the Garth underpass is messy and unsanitary

Garth underpass as posted on Nextdoor April 15. Much worse now, when I walked by to check a few days ago, it blocks part of the roadway and the entire sidewalk.

Yes, we need a new request if this is a different or new encampant. Please email the closest address to use when reporting this to LA San. I too have been away from the computer and working on a food bank event all day as well.

Thanks and Stay Safe~

Happy Friday everyone and hope all is well and healthy.

I just noticed another homeless encampment with tent in the Cattaraugus underpass, south sidewalk. Do we need to submit a separate request?

Hi Elisa,

Hope all is well...As I was going to grocery store this morning, I noticed a homeless encampment with tent in the Cattaraugus underpass, north sidewalk.

Also a string of homeless possessions a few feet away on same sidewalk.

I submitted a ticket through My311 but would appreciate your help to reporting this new encampment to LA Street Services with Councilman's office assistant. If they are notified by the Councilman's office, they will hopefully start the lengthy process of removal.

Your help is much appreciated.
